1987 BIENNIAL SURVEY

The 1987 Biennial Survey will be issued to all Depository Libraries in April 1987. The completed survey answer sheet must be returned to GPO by all depositories no later than May 31, 1987.

The 1987 survey was based on the 1985 survey and will consist of twenty-five questions. The 1987 survey has a Glossary based on ANSI standard definitions and will provide conversion tables for questions number 19, 20, and 21. Questions 20, 21, and 22 will be optional. Libraries are urged to complete these questions if possible. All other questions must be completed by all depository libraries.

For your information, the "statistical" questions have been reproduced on the next page. All underlined words will be listed in the glossary. Each depository will receive a complete package of Biennial Survey material after April 1, 1987.

FREE ACCESS TO DEPOSITORY LIBRARIES

Documents librarians are reminded that free access to the resources of the documents collection by the general public is a fundamental requirement that all Federal Depository Libraries share (except for the highest State appellate court libraries). Access policies, posting of signs, and public service hours for depository patrons must conform to this requirement. Libraries that offer night and weekend service hours to their primary clientele must provide comparable service hours to depository patrons.

Failure to provide for free public access to government documents received through the depository program could result in loss of depository status. Librarians who have specific questions about this requirement should write to:

MAGERT/GODORT PRECONFERENCE WORKSHOP

San Francisco Thursday June 25, 1987
San Francisco State University 9:00a.m. - 5:00p.m.

This is a jointly sponsored workshop of the Map and Geography Round Table and the Government Documents Round Table, specifically designed for government document librarians who are currently dealing with depository maps or contemplating selecting maps for their collections. It is the mission of the workshop to demonstrate the significance of cartographic resources in libraries, and to familiarize participants with the many map products available through GPO, how these products are used, interpreted, accessed, stored and preserved.

The workshop will be presented by David A. Cobb, Map Librarian, Map and Geography Library, University of Illinois, and by Donna P. Koepp, Government Documents and Map Librarian, University of Kansas.

Please register by May 15, 1987, by sending your name, address, and a check for \$25.00 made payable to MAGERT, to:

Donna P. Koepp
Government Documents and Map Library
Spencer Research Library
University of Kansas
Lawrence, KS 66045

Registration will be limited to 35.

AUTOMATION OF GPO SERIES FILES

As a result of an agreement reached with the Library of Congress on September 22, 1986, the Library Programs Service is pleased to announce that it will share its current and retrospective series files with other libraries in an online environment. The retrospective conversion of the file began on December 22, 1986. Library of Congress staff will provide assistance to insure the successful completion of this important cooperative venture. The GPO series coordinator, effective September 23, 1986, began sending series authority forms to the Library of Congress for all new series and series-like phrases that are established by GPO catalogers.

Among the most important benefits to document librarians are:

- 1) Access to the retrospective and current GPO series files will be available online through the OCLC and Library of Congress databases.
- 2) Consistency in the authoritative form of U.S. government series will be attained between the GPO cataloging products and the OCLC and Library of Congress databases.
- 3) GPO series authority records are available on tape from the Cataloging Distribution Service at the Library of Congress.

STANDARD INDUSTRIAL CLASSIFICATION MANUAL

Publication of the revised Standard Industrial Classification (SIC) Manual, PrEx 2.6/2:, Item 854-A, has been delayed. The Library Programs Service has requested that copies be provided for distribution to depository libraries once the Manual is published. Please do not expect to receive the SIC Manual until late spring or summer of 1987. For more information please contact the publisher, the Office of Management and Budget in the Executive Office of the President.

BOOK IV PAGE I

JANUARY 1987

HAPPY NEW YEAR...

and best wishes for a prosperous 1987.

THE SALES PROGRAM NOW HAS...

a new series of television and radio public service announcements. Production of the spots, which promote the U.S. Government Books catalog, was completed last month. The announcements were approved by ABC, CBS, and NBC networks. Distribution will be made to other independent stations nationwide in January. New localized radio scripts for GPO bookstores will also be distributed to stations located in bookstore cities.

A BICENTENNIAL FLYER COMMEMORATING...

the 200th anniversary of the Constitution of the U.S. is being developed by Marketing. The flyer will be available this spring. Attached is a listing of the titles, stock numbers, and prices of the publications that will be included in the flyer.

YELLOW PAGES TELEPHONE LISTINGS...

of the U.S. Government Printing Office Bookstores are expected soon. A purchase request for the procurement of services to list the bookstores in the Yellow Pages of official telephone directories in each bookstore city was recently approved.

ATTRACTIVE COVERS AND DUST JACKETS...

are being recommended to publishing agencies as a way to enhance the visibility of their publications. This was mentioned in the last issue of Marketing Moves. Members of the Marketing staff will continue to stress the importance of designing covers that will attract public attention and interest.

THE NEW YORK STATE LIBRARY...

listed the New York Bookstore in the new edition of their "United States Government Information" brochure including the stores address and telephone number. Thanks to Principal Librarian, Mary Redmond and Director of the Library, Jerome Yavarkovsky for helping to increase the visibility of the New York store.

THE OPENING OF THE NEW...

Philadelphia Bookstore was held on November 17, 1986. The Public Printer, Assistant Public Printer (Superintendent of Documents) and several local dignitaries attended the ribbon-cutting ceremony.

CLEVELAND BOOKSTORE...

Manager Rosemary Bill has been busy with marketing efforts aimed at increasing public awareness of the availability of Government publications. Rosemary spoke to the Akron-Canton Chapter of the Administrative Management Society about the Government Printing Office and the wide variety of publications it has available for sale. She also visited Malone College in Canton, Ohio to speak to librarians about the bookstore and Government documents. Rosemary tells us that the question-and-answer session was excellent.

PUEBLO BOOKSTORE...

Manager Alene Pichler was invited to speak to the Arizona State Library Association's Annual Conference in Tucson, Arizona. Alene provided hand-out material to the attendees and emphasized the mission of the bookstore program. According to Janet Fisher, ASLA/GODORT Chair, the conference was successful. Registration was 25% higher than expected. She also said that Alene's enthusiasm was contagious. Jan Erickson, our Marketing Librarian, also participated in the ASLA presentation.

AND...

the PUEBLO BOOKSTORE got a plug in the December 24, 1986 issue of the Pueblo Chieftain newspaper. The article suggested that readers stop by the bookstore for last minute Xmas gifts. The titles and prices of several publications were mentioned, as was the address of the store.

WELCOME BACK...

and best wishes for a speedy recovery to Rich Brown, the Milwaukee Bookstore Manager. Rich recently returned to his duties after undergoing surgery.

GOOD LUCK TO...

Al Dash and Vivian Searles. Al, the former Manager of the San Francisco Bookstore, has accepted a position with Documents Control Branch in the Washington, D.C. office. Assistant Manager Chauncey Epps is now the Acting Manager in San Francisco. Vivian, the former Manager of the Chicago Bookstore, has left Federal Service. Assistant Manager Mildred Harris is now the Acting Manager in Chicago.

TIDBIT QUIZ...

Which U.S. Government Bookstore relocated from city to city within the same state?

(Answer to last Tidbit)...

The Houston Bookstore opened in 1976 to become the first GPO bookstore to open at a commercial site.
